## FEE SCHEME and REGISTRATION DETAILS – YOU MUST REGISTER TO ATTEND – PLEASE READ CAREFULLY

Registration closes on December 23rd - no showing up on the first day with cash, the camp staff will be following our registration list, and they need five days advance notice of attendance numbers. Total payment is due by the time you arrive at the camp or preferably sooner - the more people get all their money in early the more people we can help subsidize.

If you register (with \$50 downpayment) on or before December 12th, the price is \$28 per day plus \$10 towards a subsidy fund, so a total of \$150 for the whole 5 day event. If you register (with \$50 downpayment) after December 12th, the price is \$28 per day plus \$30 towards a subsidy fund, so a total of \$170 for the whole 5 day event. There is no such thing as a half-day. If you're there for any part of the day, you're there for the day. This entitles you to 3 meals each day and a bunk for overnight in one of the cabins (and so much more...).

Fees for kids: children 12 and under enter for half price, children 5 and under are free.

There is financial aid available for friends & family unable to pay the full cost. Submit a request to Garth or Cori for financial aid stating, in dollars, how much aid you will need (please pay what you are able). Subsidies will be made available as the subsidy fund builds up and we can afford to pay out, first come first serve according to order of registration. Please have financial aid requests in by December 12th - contact info posted above. This way the event is sliding scale, but we won't run a deficit either. Fundraising events can also help to build up the subsidy fund.
